MAILING LIST BROKERS WANTED !!!

We are looking for Brokers to help us market our mailing lists. Briefly here is how it works:

You take the sales circular with YOUR NAME AND ADDRESS and print as many circulares as you wish. You then mail to classified advertisers, and firms that mail you offers. You can also put ads in National Publications. When people call or write you for information, send them your circular.

Some people will send a check in the amounts ranging from \$14.00 to \$1,000.00. You keep 50% of this as your commission. You send us the other half along with the customer's name and address and your name and address. We then ship direct to your customer! We also include a re-order form with YOUR NAME AND ADDRESS. The customer thinks the order came from you.

If you have a computer and printer we can send you the names on a computer disk in dBase or ASCII format. You can than print the names yourself and deal direct with your customer.

THAT'S IT! Making money in the mailing list business is that simple. We have brokers making from \$50 to \$1,500 a week, most without ever seeing a mailing list!

HOW TO GET STARTED: Simply send us \$25.00 for your list broker registration fee and brokers kit. The brokers kit contains your sales circular with YOUR NAME AND ADDRESS (phone number is optional), display ads you can insert in magazines with YOUR name. The prices listed are our standard RETAIL PRICES. As a broker, your cost is exactly half the listed prices!

If you have any questions, please call **1-800-788-0995**. You can only learn from someone who has already achieved success! It's easy.

P.S. To really succeed in the list business, you can order our manual, **EARN \$35,000 A YEAR SELLING MAILING LISTS!** Just \$17.00.

**I will send you a powerful, money-making Computer Disk
 and a special report entitled "How To Make \$100,000"
 You Can Make A Fortune In This Very Simple
 "Hi-Tech" Business Opportunity**

Dear Entrepreneur:

In the most recent **"Richest People In America"** survey published by Forbes Magazine, the richest man in America IS NOT in the real estate business. He IS NOT an oil tycoon, and he DOES NOT own an airline or an automobile company.

The richest man in America is Bill Gates, with an estimated net worth of around \$7 Billion. His business: COMPUTER SOFTWARE. Bill Gates founded Microsoft, the largest computer software company in the world.

This is clear proof that the "COMPUTER REVOLUTION" is finally here, bringing exceptional opportunities that's creating millionaires out of ordinary people like you and me every single day.

A few weeks ago, I purchased this computer disk which contains 177 business & financial reports, with full authorization to sell each report for around \$2 to \$5.

That's quite attractive considering that the disk contains 177 reports. However, for me, it was like trying to peddle bananas by the piece, and I didn't get to excited with the idea.

However, when the company who developed the disk said that I can actually sell exact copies of the disk, and even pass the "duplication rights" to (you) my customers, I knew I hit the jackpot.

You see, computer software disks may cost the manufacturer \$1 to \$2 to produce. But computer software disks sell for as much as \$90 or higher. The profit margin in this business is astronomical, no wonder it is becoming one of the fastest growing business opportunities on the market today. So, here's what I will do for you when you order my complete "Computer Disk Business Package"...

I will send you the following:

1. A high-density 3.5" computer disk which contains 177 business & financial reports.
2. A sales letter and a printed ad which you can use to get people to order copies of this disk from you.
3. A step-by-step plan on how to get people to order copies of this disk from you and pay you anywhere from \$10 to \$25 each. (You can make your own price.)
4. A copy of the special report "How To Make \$100,000" using this computer disk.
5. A copy of my original Duplications License Certificate, which also grants you authority to make copies of this disk and the printed materials that comes with it.

Just \$10 will entitle you to make unlimited copies of this disk and market them yourself any way you like, at any price you like.

This is such a small investment for the know-how, experience and financial rewards you will gain with this package. Simply have your name and address printed on the blank space at the bottom of this ad that comes with your package.

SEND \$10 TO :

The Eagle and the Storm

An eagle can sense that a storm is approaching long before it breaks. The eagle will fly to some high spot and wait for the winds to come. When the storm hits, it sets its wings so that the wind will pick it up and lift it above the storm.

While the storm rages below, the eagle is soaring above it. The eagle does not escape the storm. It simply uses the storm to lift it higher. It rises on the winds that bring the storm

When the storms of life come upon us, we can rise above them by setting our minds to our goal and dedicating ourselves to our strength and faith in what we believe in. The storms do not have to overcome us. We can use our own wisdom and strength to rise above them.

Our dedication to what we believe in enables us to ride the winds of the storm that bring sickness, tragedy, failure and disappointment into our lives. We can soar above the storm. Remember, it is not the burdens of life that weigh us down, it is how we handle them.

We can soar on our wings like eagles, to freedom, on the winds of the storm.
